Thirty-fourth Annual Sale

BELLows BROS.

Shorthorns

**At Parkdale Farm
SATURDAY, JUNE 20, 1936**

**BELLows BROS.
MARYVILLE, MISSOURI**

Foreword

This is our 34th Annual Sale of purebred Shorthorn cattle. In all of the years we have been having sales, it has been our intention that each auction include a better lot of cattle. We think in this sale will be found cattle that compare favorably with any heretofore offered.

The bull offering is very strong. In our herd bull, Supreme Commodore, we have a real sire. He is siring, if anything, better bulls than females, and both are good. His calves are very thick and low set with good heads. They are absolutely the modern type and we predict a great future for this bull.

The cattle are not in high condition but in good useful shape to carry on and do well for the buyer. We believe that all of the bred heifers are safely settled to the date given in the catalog. The herd is accredited for T. B. and has been kept tested for Bangs having had the latter test as recently as May 20.

Our herd never has been in better shape as to production. The cattle herein catalogued mostly belong to our old established families that have been in the herd for years. They are a dependable lot of cattle and are sure to do well for the purchaser.

We extend a cordial invitation to all interested in better cattle to spend the day with us, Saturday, June 20.

In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.
